what you want

Fisher Sand & Gravel is proud to announce the addition of the Ultra Stone Slinger™ to our line-up of time and money saving construction equipment.

Our Ultra Stone Slinger™ puts what you want where you want it. With a 220 degree radius, the Ultra Stone Slinger™ will put topsoil, dirt, mulch, screening, aggregates and sand in hard to reach locations.

With the Ultra Stone Slinger™ Fisher Sand & Gravel can place material in tight spaces, up to 90 feet from the end of the truck. We virtually eliminate material handling time, reduce construction costs and improve your bottom line.

Ultra Stone Slinger™ - Just another great example of Fisher Sand & Gravel providing the best products and services to all our customers at an affordable rate.
